TRADEMARK SECURITY AGREEMENT AND COLLATERAL ASSIGNMENT

TRADEMARK SECURITY AGREEMENT AND COLLATERAL ASSIGNMENT, dated as of September 23, 2005 (this "Agreement"), made by and between **MIKASA LICENSING, INC.**, a Delaware corporation (the "Grantor") in favor of **BANK OF AMERICA, N.A.**, as administrative agent (the "Agent") for itself and certain other lenders.

W I T N E S S E T H:

WHEREAS, pursuant to the Loan and Security Agreement dated as of even date hereof by and among the Grantor, Agent and the lenders party thereto (collectively, the "Lenders") and the other obligors party thereto (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), the Grantor has granted a security interest to Agent, for the benefit of itself and the Lenders, in, among other things, all right, title and interest of Grantor in, to and under all of the Grantor's Trademarks and other Trademark Collateral (defined below), whether presently existing or hereafter arising or acquired as security for the Liabilities from time to time owing by the Grantor under the Loan Documents; and

WHEREAS, Grantor is the owner of the entire right, title and interest in, to and under the Trademarks listed on Schedule 1 hereto; and

NOW, THEREFORE, in consideration of the premises and to induce the Agent and Lenders to enter into the Loan Agreement, Grantor hereby agrees with the Agent and Lenders as follows:

1. Defined Terms.

(a) **Definitions.** Unless otherwise defined herein or the context otherwise requires, capitalized terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Loan Agreement.

(b) **Other Definitional Provisions.**

(i) The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section and paragraph references are to this Agreement unless otherwise specified.

(ii) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

2. Grant of Security Interest. To secure the prompt and complete payment when due and satisfaction of the Liabilities, Grantor hereby grants, assigns and conveys to Agent for the benefit of itself and the Lenders a security interest in and collateral assignment of all of Grantor's now existing or hereafter acquired or existing right, title and interest in (i) its respective trademarks (registered and unregistered), trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, internet domain names, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, and all research and development relating to the foregoing; (ii) all reissues, extensions or renewals of any of the foregoing; (iii) the entire goodwill of Grantor's business

connected with and symbolized by the foregoing or the use thereof; and (iv) all designs and general intangibles of a like nature and all proprietary rights in and to the foregoing, including, without limitation, each registration and application identified on Schedule 1 attached hereto and made a part hereof (collectively, the "Trademarks"), the right to sue for past, present and future infringements and all rights corresponding thereto and the entire goodwill of Grantor's business connected with and symbolized by the Trademarks and all products and proceeds of any and all of the foregoing, including without limitation, all income, fees, royalties and other payments at any time due or payable with respect to any of the foregoing (together with the Trademarks, referred to collectively as the "Trademark Collateral").

3. **No Limitation; Loan Agreement.** This Agreement has been executed and delivered by the Grantor for the purpose of evidencing Agent's security interest, for the benefit of itself and the Lenders, in and Grantor's collateral assignment of the Trade Collateral and recording such security interest and collateral assignment with the United States Patent and Trademark Office. The security interest and collateral assignment granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Agent under the Loan Agreement. The Loan Agreement (and all rights and remedies of Grantor, the Agent, and the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

4. **Assignments of Trademarks and Goodwill.** In addition to all other rights granted to the Agent under the Loan Agreement and this Agreement, effective only upon an Event of Default under the Loan Agreement, upon notice by Agent to Grantor, Grantor hereby sells, assigns, transfers and sets over to the Agent for the benefit of itself and the Lenders, Grantor's entire right, title and interest in and to all Trademark Collateral including, without limitation, the goodwill of Grantor's business connected with and symbolized by the Trademarks.

5. **Representations and Warranties.** Grantor represents and warrants that:

- (a) the Trademarks are valid and subsisting and in good standing;
- (b) each of the Trademarks identified on Schedule 1 hereto, is valid and enforceable and, to the knowledge of Grantor, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person;
- (c) Grantor is the sole and exclusive owner of the entire right, title and interest in, under and to, free and clear of any liens (other than the liens granted herein and in the Loan Agreement), charges and encumbrances, each of the Trademarks;
- (d) Grantor has good and marketable title to, free and clear of any liens (other than the liens granted herein and in the Loan Agreement), charges and encumbrances, the Trademarks; and
- (e) Grantor has the legal right and authority to enter into this Agreement and perform its terms.

6. **Covenants Regarding Trademark Collateral.**

- (a) In no event shall Grantor, either directly or through any agent, employee, licensee or designee, file an application for the

registration of any Trademark with the United States Patent and Trademark Office or any similar office or agency without giving Agent written notice thereof within ten (10) business days before the filing thereof, and, upon request of Agent, Grantor shall execute and deliver any and all supplements to this Agreement as Agent may request to evidence Agent's Lien on such Trademark and the general intangibles of Grantor relating thereto or represented thereby.

- (b) Grantor shall take all actions necessary or reasonably requested by Agent to maintain and pursue (and not abandon) each application, to obtain the relevant registration and to maintain the registration of each Trademark (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of non-contestability and opposition and interference and cancellation proceedings, unless Grantor shall determine in its good faith business judgment that such Trademark is not material to the conduct of its business.
- (c) In the event that Grantor knows that any of the Trademark Collateral is infringed upon, or misappropriated or diluted by a third party, Grantor shall notify Agent thereof and enter or cause Grantor to enter into a supplement to this Agreement, granting to Agent a Lien in the such commercial tort claim. Grantor shall, unless it shall determine in its good faith business judgment that such Trademark Collateral (or such infringement, misappropriation or dilution) is in no way material to the conduct of its business or operations, promptly sue for or otherwise negotiate a settlement with respect to infringement, misappropriation or dilution and, where commercially reasonable, recover any and all damages for such infringement, misappropriation or dilution, and/or, upon Agent's request, shall take such other actions as Agent shall deem appropriate under the circumstances to protect such Trademark Collateral.

7. **Termination; Release of Collateral.** This Agreement and all obligations of Grantor and the Agent hereunder shall terminate on the date upon which the Liabilities (other than contingent indemnification Liabilities to the extent no claim giving rise thereto has been asserted) are indefeasibly paid and satisfied in full in immediately available funds and all commitments and other obligations of the Agent and Lenders to Grantor have terminated without delivery of any instrument or performance of any act by any party. Upon termination of this Agreement, the Agent shall, at the expense of Grantor, take such actions as reasonably may be necessary to release its security interest in the Trademark Collateral.

8. **Acknowledgement.** Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the collateral assignment and security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan

Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any inconsistency between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall govern.

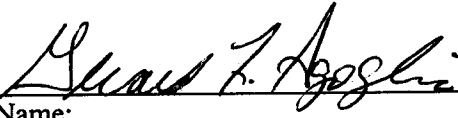

9. **Binding Effect; Benefits.** This Agreement shall be binding upon Grantor and its successors and assigns, and shall inure to the benefit of the Agent, the Lenders and their respective successors and assigns.

10. **GOVERNING LAW.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties have caused this Trademark Security Agreement and Collateral Assignment to be executed by its duly authorized representatives as of the date first above written.
